Civil Air Patrol Web Access To Corporate Headquarters

Instructions: Your download depends on the level of access provided by your Wing's Web Security Administrator. If you are downloading the Region, Wing, or Unit, select the appropriate value in the Region/Wing/Unit fields. For example, if you wish to download the entire Wing, select the Wing in the Wing field and select the Unit 001 (SER-AL-001). Same for the Region. For example, select SER-SER-001 for Region download. If you have Region or Wing Access and wish to download just the Unit, please select the download unit only checkbox **in addition** to the above selections.
